

## **JaM Cellars Releases Rosé Wine**

### **2017 California Candy to be released February 14, 2018 in select U.S. markets**

February 14, 2018, Napa, CA -- JaM Cellars, makers of the popular Butter Chardonnay, JaM Cabernet and Toast Sparkling wines, is pleased to present the newest wine in its portfolio—2017 California Candy. A Rosé of Syrah and Grenache, fermented dry with an appealing and moderate 12.1% alcohol by volume, California Candy will be released February 14th direct to consumer and in a few select markets across the country.

The California Candy name perfectly describes this fresh rosé with a vibrant strawberry, watermelon and spring flower profile. With a suggested retail of \$14.99, California Candy is yet another “easy to love” wine from JaM Cellars which, just like candy, leaves you wanting more.

“We enjoy making rich, bold, luscious wines that are easy-to-love everyday, and California Candy is another example of that winemaking philosophy,” stated vintners John and Michele Truchard, the “J” and the “M” in JaM Cellars. “Our names are on the bottle and our hearts are in these wines...enjoy!”
